

Hanging Lite

Cat. No. HL

Cat. No. HLGU

The Hanging Lite is a single spotlight which can be easily hung from high vantage points, including trees, fences and overhangs, providing a dramatic wash lighting effect. The luminaire is machined from a choice of 10mm thick aluminium with a UV stable powder coated finish, solid copper or 316 stainless steel with a clear, tempered, flush glass lens and high temperature silicon gaskets. This luminaire comes standard with a 3 meter cable and stainless steel wire.

A GU10 version of this luminaire is also available for line voltage lamps. However, a longer body is needed to accommodate the longer lamp.

Ordering Information

Luminaire Type

HL - Hanging Lite
HLGU - Hanging Lite
GU10

Material/Finish

BK - Black
BZ - Bronze
CT - Corten
