In exterior lighting, one name eclipses all others

Light Ideas International Ltd are the UK's and Europe's sole importer and distributor of Hunza fittings for exterior lighting, garden lighting and landscape lighting.

- **Quality** - All Fittings are machined and assembled in New Zealand.
- **Choice** - Over 60 discreetly styled fittings in mains and low voltage options.
- **Applications** - The range includes fittings for all applications such as pathways, steps, ponds, swimming pools, driveways and wall mounted fittings.
- **Impressive guarantees** – 5 years for powder-coated fittings and 10 years for fittings in copper or stainless steel.
- **Rapid delivery** - substantial stocks of Hunza fittings are held in the UK.
- **Service** - a service that is as reliable and efficient as the products we sell.
