ΤМ **Euro Single Pole Lite** Cat. No. ESPL Cat. No. ESPL/R The Euro Single Pole Lite is ideal for path lighting as well as tree lighting, or the head may be aimed downward to eliminate vertical light. Hunza Euro fixtures use miniature MR11 lamps to achieve a contemporary. discreet appearance but are still able to provide excellent illumination. This luminaire has a fully adjustable arm allowing 360 degree rotation and 0 - 90 degree elevation with a built in glare guard. The Retro™, which is a mains option, avoids the need to bury a transformer. The 110/240-12 volt electronic transformer is built into the pole and is a double insulated safety isolating transformer this changes the luminaire to an IP56 rating.
